ANNUAL DAY 2025-26 REPORT

Introduction

Good evening to our esteemed guests, dedicated staff, proud parents, and enthusiastic students. Today, we are here to share with you the highlights and accomplishments of the academic year 2025-26 through our annual report.

Our annual report captures the essence of our efforts, stories of growth, transformative initiatives, and the unwavering commitment of everyone. With gratitude and optimism, we share this report as a testament to our shared vision and our passion for learning and growth.

2) CHIEF GUEST

A special namaste to our honourable guest, and all the dignitaries. We are truly honoured and blessed by your presence. On behalf of everyone, I extend my heartfelt gratitude and warmest regards.

As our institution proudly completes 13 glorious years, it is a moment of honour and pride for all of us. Over the years, our journey has been marked by countless moments of learning and growth and an unwavering commitment to excellence, under the guidance of supportive management and qualified mentors who always set standards that inspire, guide, and challenge students to reach their fullest potential.

Gratitude is a powerful way to express our appreciation to all those who have supported and guided us throughout our educational journey.

3) KSVK TRUST MEMBERS

I start with a brief introduction to the KSVK Trust members: Founder and President of Kuvempu Smaraka Vidya Kendra Trust, Mr. Marulasiddaiah; Honourable Secretary, Mrs. Poornima; and Treasurer, Mr. Anand Murthy. In all our four branches, we remain committed to delivering holistic development and excellence throughout, with KSVK Hagadur as our main branch, followed by KSVK Channasandra, KSVK International School, and KSVK PU College, Anugondanahalli.

4) WINGS OF KSVK

Our school takes pride in its commitment to excellence in different wings of the institution, such as academics, discipline, culture, sports, and holistic development, to uphold our values and vision.

CAMPUS

Our campus continues to be a vibrant space of ever-expanding learning, creativity, and growth.

Our school is located in a beautiful landscape spread over 5.2 acres of lush greenery. Our students have easy access to all the amenities, with modern facilities and state-of-the-art infrastructure for the holistic growth of your child. We lay emphasis on physical education and physical fitness. Our school is equipped with a state-of-the-art swimming pool, synthetic athletic track, football field, outdoor basketball and tennis courts, indoor badminton court, yoga, and karate training, along with music and classical dance.

CLASSROOM

A classroom is a place where knowledge is shared, curiosity is nurtured, and students develop their skills. Our classrooms are equipped with advanced digital boards to enhance the teaching-learning experience with digitalised e-content and interactive boards.

LABS

Our school has well-equipped Physics, Chemistry, and Biology labs that support hands-on learning and help students develop scientific and technological skills.

We also have a technology lab with 40+ systems to support ICT learning. It helps students learn more effectively and develop essential digital skills.

8) TEACHING AND NON-TEACHING

The teaching fraternity plays a pivotal role in nurturing talent, instilling values, and fostering a love for learning. The task of the modern educator is not to cut down jungles but to irrigate deserts.

Our group of institutions comprises 300+ well-experienced, dedicated, and passionate mentors who leave no stone unturned to work with our students in achieving their goals.

Our non-teaching fraternity comprises 100+ members who equally play a vital role in rendering their services throughout.

9) CBSE OVERALL TOPPER

It is a moment of immense pride for our institution, as we have secured 100% results in the CBSE Board Examination for eight continuous years.

Leading with outstanding academic excellence, the topper of the year 2024-25 is Master Sri Ramcharan R. Heartiest congratulations to all our students! Let us continue striving for even greater heights in the future.

BEST STUDENT AWARD

The Best Student Award is one of the most prestigious recognitions in a student's journey. It is awarded to the student who has consistently excelled in academics, discipline, leadership qualities, and attendance.

11) SCHOLASTIC ACTIVITIES

The academic year has been a significant journey marked by dedication, consistent effort, and notable scholastic achievements by our students. Our institution continues to uphold academic excellence through innovative teaching practices, continuous assessments, and a learner-centric approach.

Curriculum Implementation

- Lesson plans were executed effectively with the integration of ICT tools, experiential learning strategies, and activity-based learning.
- The DTR (Daily Teaching Report) system was effectively implemented. Teachers maintained DTRs regularly, documenting the teaching-learning process in all classes.
- Model Copy: To ensure uniformity, clarity, and academic discipline, this year we implemented the model copy of notes. Under this initiative, students and teachers maintained their notes in a structured and systematic format guided by the teachers.

The practice helped improve students' handwriting, conceptual clarity, and organisational skills.

Regular staff meetings are conducted, and all necessary measures are implemented. PTMs were also conducted, and parents' concerns were addressed. Regular follow-up sessions by the teachers are also in practice to ensure consistent academic improvement.

12) CO-SCHOLASTIC ACTIVITIES

"Education is complete only when learning goes beyond textbooks."

Co-scholastic activities like dance, art, music, sports, yoga, values, etc., are the colours that complete a child's learning journey.

We definitely lay emphasis on co-scholastic activities to ensure the all-round development of students. These activities play a vital role in shaping individuals by building confidence, teamwork, and leadership qualities.

Various teaching-learning strategies are implemented on a regular basis for the students. The school organised a science fest, providing a vibrant platform for the students to explore scientific ideas, showcase creativity, and develop problem-solving skills.

A team of well-trained R&D engineers fosters creativity and critical thinking in the minds of young innovators, nurturing and promoting a culture of scientific temper.

The students of the CO Batch also learn a foreign language apart from the regular languages in our curriculum.

13) SAFAL

SAFAL is a competency-based assessment conducted for students of Grades 6 and 9, which is a part of CBSE's competency-based education framework in line with NEP 2020.

14) OLYMPIAD

The school conducted Olympiad examinations during the academic year to promote analytical thinking and problem-solving abilities and to encourage students to explore concepts beyond textbooks.

15) SPORT

"The harder the battle, the sweeter the victory."

Sport promotes the overall development of an individual. It instills values such as fairness, sportsmanship, and humility in shaping one's character. Our students participated in sports organised by CBSE schools at the zonal and cluster levels and made many new records. The KSVK Inter-School Sports Meet was held on 14 and 15 November 2024. The event commenced with the arrival of the chief guest, followed by the march-past, lighting of the torch, and oath. The day was packed with a variety of team games and athletic events. The day concluded with the prize distribution, and the overall championship trophies in both the Under-14 and Under-17 categories were bagged by KSVK International School.

The prestigious KSVK Inter-School Swim Meet 2024 was successfully hosted by us on 24 August. The event witnessed enthusiastic participation from many schools across Bangalore, with swimmers competing in various categories.

Our students also took part in swimming competitions held at Ekam Inter-School, EuroSchool, SNIS Inter-School, Pratham International, etc. We bagged around 40 gold, 38 silver, and 19 bronze medals, along with many trophies.

We are honoured to announce that the students brought laurels to the school by winning various competitions at the cluster and national levels.

16) CELEBRATION

To foster a sense of unity, cultural awareness, and joy, our school celebrated a series of events, from Akshara Abhyasa, wherein a child is ready to pursue formal education, to the Investiture Ceremony, Independence Day, Teachers' Day, Yoga Day, Environment Day, Gandhi Jayanti, and many more.

17) KANNADA RAJYOTSAVA

Kannada Rajyotsava was celebrated in a grand manner with immense pride and enthusiasm. This special occasion marks the creation of the State of Karnataka on 1 November 1956 and is a day to honour the cultural heritage, history, and unity of the state.

Our students from all four branches showcased the rich cultural heritage of Karnataka through various performances and exhibited their talents in a unique manner.

18) CAPACITY-BUILDING PROGRAMME FOR TEACHERS

As part of the school's pedagogical plan, the school conducted a series of in-house training sessions to enhance and implement creative learning with the features of NEP 2020. Our teachers attended various workshops pertaining to subjects like Science, Social Science, and Mathematics.

Dr. Sarada Chandrasekaran, CBSE resource person, conducted a session on pedagogies, reflective practices, and lesson planning. Teachers engaged in vibrant group discussions, role-play activities, and problem-solving tasks to address various classroom challenges.

Teachers received certificates after the session, which add to their professional portfolios.

19) HEALTH AND HYGIENE

Health and hygiene are essential aspects of life that contribute significantly to a person's overall well-being. Medical staff from the Primary Health Centre, Anugondanahalli, visit our school every year to vaccinate students of Classes 1, 4, and 10. They also speak to the students about the importance of maintaining personal hygiene. An awareness programme on AIDS was also conducted by a government counsellor.

20) TRIPS AND EXCURSIONS

Taking a walk down memory lane is a beautiful way to relive cherished moments. Nostalgia has the power to uplift and bring joy. The five-day and four-night trip to the Andaman Islands offered a tropical paradise renowned for its breathtaking natural beauty, rich marine life, and vibrant history.

The students had an adventurous experience during their stay. This was followed by a four-day and three-night trip to Coorg and Chikmagalur, the two scenic hill stations of Karnataka known for their tranquil environment. From thrilling roller coasters to splash-tastic water rides, Fun World was a whirlwind of laughter and memories!

21) CLASSROOMS

A classroom is a place where curiosity and creativity are nurtured! All our classrooms are enhanced with technology and have digital boards with digitalised e-content, flexible seating, interactive boards, and internet access.

22) LABS

We have well-equipped Physics, Chemistry, and Biology labs for fostering practical knowledge and inspiring students to explore their interests. We have a Tech Lab with 40 systems.

23) TRANSPORT

Our transport facilities ensure the safe, efficient, and comfortable travel of students to and from school. We have well-maintained buses, trained and licensed drivers, and assistants on board to assist young students.

24) CAMPUS

Our school is located in a beautiful landscape spread over 5.2 acres of lush greenery. Our students have easy access to all the amenities, with modern facilities and state-of-the-art infrastructure for the holistic growth of your child. We lay emphasis on physical education and physical fitness. Our school is equipped with a state-of-the-art swimming pool, synthetic athletic track, football field, outdoor basketball and tennis courts, indoor badminton court, yoga, and karate training, along with music and classical dance. We also have separate hostel facilities for both boys and girls from Grades 4 to 10. In the past years, our institution has made significant strides in achieving its goals, overcoming challenges, and setting a foundation for generations. As we move forward, we remain committed to our vision and values, striving for continuous improvement and innovation.

We extend our heartfelt gratitude to the management, teaching and non-teaching fraternity, parents, and stakeholders for their unwavering support, trust, and dedication. Together, we are building a future that inspires progress and success for everyone involved. Special and heartfelt gratitude to all our esteemed dignitaries. Your presence has truly graced this occasion. On behalf of my team, I would like to thank our Chairman Sir for giving us this opportunity to present the annual report. Your leadership and vision serve as a beacon of inspiration for everyone.

Thank you once again. Wishing you a day filled with positivity and success.
